

## TPM in Ciudad Real

**All Aboard for the 4th TPM in Ciudad Real, Spain!**

Hello everyone!

All our partners gathered for our 4th Transnational Project Meeting (TPM) in Ciudad Real, Spain, to dive into the details of **WP2: HR Stuff 2.0, the training system**, and **WP3: Expert Worker Toolkit**. We also made significant progress on WP4, putting the final touches on our upcoming training week in Greece!

Soft skills, such as communication, teamwork, and adaptability, are essential for creating a positive and efficient work environment. These skills empower individuals to navigate challenges, foster collaboration, and drive organizational success.

This meeting was filled with productive discussions and collaborative efforts, bringing us closer to our goal of enhancing professional development through innovative training and Emotional Intelligence tools.

Stay tuned for more updates as we continue this exciting journey!

Thank you for your continued support!

The Boost Train and Retain Team.
